

GRADUATE & ADULT STUDIES PAYMENT OPTIONS

All Graduate and Adult Studies students have the option of signing up for an interest free payment plan as an alternative to paying the full amount due at the beginning of each semester. The payment plan must start within the first full month of your semester start date and must end prior to the last day of your semester. The details for these payment plans are as follows:

Each Semester (\$50 setup fee)

The first payment is due on the 15th day of the month you select.

There are 2-, 3-, and 4-month payment plans available. Please select the plan that fits within your semester.

Plans beginning with "Trad" are for Traditional Undergraduate Students only.

Students should confirm the budget amount for each semester by reviewing their Student Account Center.

Textbooks are charged to student accounts at the start of each new course, not at the beginning of each semester. Please include the estimated charges in your plan. (EdD, Counseling, and PA programs excluded)

To enroll in a payment plan, sign on to MyTrevacca at [Trevacca.sharepoint.com](https://trevecca.sharepoint.com) with your TNU username and password then click on the Student Account Center link.

It is a priority that the student re-enrolls in the payment plan each semester. This must be completed to have the option for monthly payments, and it is the student's responsibility to enroll.
