Financial Payment Information

Trevecca Nazarene University requires all students to sign a Financial Commitment Form prior to enrollment and first semester registration. Academic registration for each semester is not

complete until the student has completed all financial obligations. Academic Records can withhold grades and/or admittance to an upcoming semester if a student has an unpaid account. Students are expected to make all necessary arrangements with Trevecca's Financial Services Office. The student is responsible for any outstanding balance on their account.

All charges are due and payable at the beginning of each semester. Late fees are charged at 1.5% per month on any outstanding balance. Through My Trevecca, each student can access their student account, balance, activity, statements, and payment plans.
